## Launch Green Point Campaign

### HIOKI's Green Point Program

When you purchase a qualifying product from HIOKI, we'll plant trees on your behalf or donate an equivalent amount to a tree-planting organization.

1. When you make a purchase, one point will be reported to HIOKI for each qualifying product.
2. Points earned from January through December will be added up for all customers in the target region.
3. HIOKI will plant trees based on the total number of points earned during the year in the target region (1 tree for every 10 points) or donate an equivalent amount to a tree-planting organization.
4. HIOKI will report the number and location of trees planted and the amount of any donations.
